

## **Give It To Me**

### **All:**

Give it to me I'll bear it.  
Give it to me I'll share it.  
If there's a need in your life,  
I will take it if you only give it to me.

### **Solo:**

I came to the Master, just as I was.  
I was weary, worn and sad.  
I found in him a resting place  
And He has made me glad.

### **All:**

Give it to me I'll bear it.  
Give it to me I'll share it.  
If there's a need in your life,  
I will take it if you only give it to me.
