

Just As Soon As I Get There

All:

Just as soon as my feet strike Zion;
Just as soon as I get there.
I will lay down my heavy burden;
I'll be shouting, my troubles over,
I'll be singing, Hallelujah!
Just as soon as I get there.

Verse:

One of these old mornings (*Hallelujah!*)
It won't be very long (*Hallelujah!*)
You're gonna look for me (*Hallelujah!*)
And I'll be going on home (*And I'll be goin' on home*)
I'll be in my mansion, over in the promised land.

Choir:

I'll be shouting, my troubles over,
I'll be singing, Hallelujah!
Just as soon as I get there.

Vamp:

I'll be shouting, my troubles over (*repeat*)
I'll be singing (*repeat*)
Hallelujah! Just as soon as I get there.
Just as soon as I get there.
