

MADE ME GLAD - Bill Moss, Jr.

Chorus:

You keep my dancing,
clapping my hands,
leaping for joy in your presence,
song in my heart, praise on my lips,
reason to sing and shout.

You made me glad,
you made me glad,
you made me glad and I'm trading my sadness for you.
(Repeat Chorus)

You made me glad,
you made me glad,
you made me glad and I'm trading my sadness for you.

Vamp:

You made, you made me,
you made me glad (Repeat)
