

## **Our God Is Standing By**

Everywhere you go there is trouble. *(There is trouble!)*

Everywhere you go there is strife. *(There is strife!)*

Everywhere you go, there is something that worries you, but remember

*Our God is standing by!*

(2x)

### **Verse:**

God is standing by. *(No need to cry!)*

God is standing near. *(No need to fear!)*

Jesus he'll be right there. *(He's everywhere!)*

He's rollin' dark clouds away. *(Yeah!)*

He'll hear you when you pray. *(Oh yes!)*

He'll hear you when you call. *(Yeah!)*

He'll catch you before you fall *(Oh yes!)*

Jesus he'll be your friend *(Yeah!)*

By you to the end, because

*Our God is standing by!*
