

Thank You For Today

Solo:

Lord, I don't know what to say;
Sometimes it hurts too much to pray.

[Ooooh (Sopranos and Altos only)]

But still, I know you are the way,
So I praise your name.

Lord, I know I'm to be used.

Sometimes, things get me so confused

[Ooooh (Sopranos and Altos only)]

And when I think that even you were falsely accused,
I just praise your name.

[All: Ahhhh....Ahhhh]

You've never done me wrong.

Your love has kept me strong.

What more can I say?

Jesus you are the way.

And for nothing else,

I thank you for today!

(Go to top, repeat all)
