

**THERE IS NO WAY**  
**Milton Brunson**

**TUTTI**

There is no way, I can live without you  
There is no way I can go on  
Burdens are too much, for me to bear....  
There is no way, I can live without you

**LEAD**

I have tried to make it on my own  
But these heavy burdens, these old heavy burdens  
They got a little bit too strong  
But right now, I-- can say, that without Christ in my life  
There is no other way  
**There is no way I can live without you**

**VAMP**

I have tried over and over and over  
But there is no other way, is no other way, is no other way  
There is no way, I can live without you. **(key change)**

I have tried over and over and over  
But there is no other way, is no other way  
IS! No! OTHER! WAY!  
There is no way, I can live without you.
